

2024 Suncook Valley Chorale Ad Campaign

The Suncook Valley Chorale is a multi-community, all-inclusive choral group whose purpose is to promote appreciation of music as an art through public performances. We present concerts from various time periods and include many musical genres.

Your purchase of an ad in our program will support these concerts, which are held in January and May in the Concord area. The ad you purchase will appear in our spring and winter program booklets and will be seen by local residents attending those concerts. Thank you for helping us to "Sing for Joy" as we continue to provide quality performances for our loyal patrons.
